Description

Beautiful art deco desk in rosewood from the 1930s. Completely renovated in our workshop, it is in very good condition, beautiful traditional tampon varnish. The top is in original black glass (it is in good condition, just a few small scratches from use, but no chips). It has many compartmentalized drawers, two lock, the others have a beautiful very sober handle in pink copper, this hardware is period and original). The desk can be placed against a wall or in the middle of a room, the front is also very beautiful. Its dimensions in cm 160 x 70 height 78 (65 under the drawer where the legs pass). It is not dismantled, only the glass top can be removed. This item is also visible in my store in Belz, in Morbihan in southern Brittany where you can, if you wish, remove it.
