

## Japanese Bronze Vase

1 000 EUR

Period : 19th century

Condition : Bon état

Material : Bronze

Diameter : 13

Height : 24

### Description

This Japanese bronze vase features a unique design that evokes the beauty of the marine world. Its shape is reminiscent of a submerged vase, adorned with crabs that seem to climb to its surface and explore the openings. The delicate details of the crustaceans bring a touch of life to the object, emphasizing the harmony between art and nature. At the base, a seal testifies to the authenticity of the work and its Japanese origin, adding historical value to this fascinating piece.
