Description
-------------

A stunning blue opaline punch bucket set, probably made by Baccarat, decorated with delicately applied gold motifs. This set includes a punch bucket with its matching saucer, an elegant lid and a ladle, all decorated with refined gold details, giving a luxurious and sophisticated look to the set. The vibrant blue opaline, enhanced with finely worked gold, adds a touch of timeless elegance, ideal for special occasions or to complete a collection of antique glassware. A functional and decorative object, perfect for adding refinement to your table or to display as a centerpiece in your home.
