Description

Very beautiful tapestry from the Aubusson workshops with a border frame of bunches of grapes. The central subject is rare by the representation of a port. Exceptional condition and colors. The colors of the detailed photographs are more faithful than the general view which remains with colder colors. Our house assures you a well-cleaned tapestry, in very good condition with its fixing system. If this should be necessary, we will specify the work that has been carried out. All our tapestries can be presented to you at your home in Paris and Ile de France, Paca region, without commitments before your final decision. For other geographical areas, ask for the conditions.
