### Description

Writing Desk WM. JOHNSON & SON burr walnut and maple veneer, Sheffield ca. 1870. Shaped top with leather insert and gilded bronze ribbed edge, band with drawer and fake drawer on the long sides, ebonized fluted truncated cone legs adorned with gilded bronze inserts and connected to each other by curved crosspieces with a central shelf; pear-shaped feet. The decorative arrangement is completed by maple threads and floral inlays in maple and mahogany. Mahogany and fir interior. Inside the drawer there is the original label from the manufacturer.

Product which due to age and wear requires restoration and re-polishing. We try to present the real state of the furniture as completely as possible with photos. If some details are not clear
