Description

Antique oil painting on canvas depicting a river landscape from the second half of the 19th century of English origin, where in the foreground we find the rural landscape with rocks, trees and flowers that is crossed by a watercourse. In the background a sky with soft colors is depicted, with some clouds, almost at dusk. The painting whose stylistic features and compositions reflect the stylistic choice of English painting, the depths of the painting and the minute details of the landscape are very beautiful. The painting is in perfect condition, it should be noted that the work has been re-lined and inserted into an always ancient gold frame.

PERIOD Second half of the 19th century
