Description

Monumental Chinese porcelain vase from the 19th century. Baluster-shaped, with molded decoration of foliage and flower scrolls, the handles in the shape of stylized Chilong decorated with flowers on a deep blue background, the heel and the edge of the neck in the same color. The restored handles, firing cracks. This vase is exceptional because of its size, 86 cm high, but also because of its flowery parison which makes it a very modern vase. It must certainly have been a vase that was placed on a base because there is no original bottom. Purely decorative vase that will be magnificent in a large entrance, on a console or a pedestal table in the center of the room. China, 19th century. Delivery in a wooden crate on a pallet by carrier on the ground floor in front of your home, 150
