Description

Bust of a young woman from the Belle-époque in bronze with a golden patina resting on a base in green marble from the Alps on a gray Sainte Anne counter base. The young woman is smiling with a ribbon tied around her neck but also in her hair tied in a high bun. The emphasis is on the neckline of her blouse enhanced with flowers. It almost looks like her smile is emerging from a bouquet of flowers... Read more.Condition report: some light wear to the patina and chips to the marble.
