Pair Of Restoration Armchairs In Carved Walnut / Early 19th Century

420 EUR

Period : 19th century

Condition : Très bon état

Material : Wallnut

Description

This pair of armchairs, typical of the Restoration period, is made of solid walnut, finely carved with palmettes and scrolls.

Their dimensions are 92 x 59 x 49 cm, offering a design that is both robust and refined, suitable for elegant interiors.

The structure is very solid and very stable, guaranteeing remarkable durability. The front legs are curved in a console and decorated with palmette carvings, bringing a touch of distinctive elegance. The rear legs, in the shape of sabers, ensure perfect stability with their slight inclination. The rounded backrest and the curved seat are upholstered in a red striped velvet, bringing charm while being in a used condition.
