### Description

Work of Jean-françois BOTTOLIER 1876-1950  
acrylic painting on panel Bright and warm colors  
representing strange characters, a couple  
embracing at the foot of another character lying  
on the ground. Was he knocked down, defeated!?  
He is lying on still red embers! The couple, on the  
other hand, embrace, protect each other, comfort  
each other, they are standing on the green grass?  
The background is burning, inflamed ... is it the  
end of a fight!? A deliverance? painting 63 x 49  
cm frame 86 x 66 cm
