Description

Work of Jean-françois BOTTOLIER 1876-1950
acrylic painting on panel Bright and warm colors
representing strange characters, a couple
embracing at the foot of another character lying
on the ground. Was he knocked down, defeated!?
He is lying on still red embers! The couple, on the
other hand, embrace, protect each other, comfort
each other, they are standing on the green grass?
The background is burning, inflamed ... is it the
end of a fight!? A deliverance? painting 63 x 49
