

Ziegler Oriental Rug 180x170 Cm

Description

Ziegler Afghan handmade wool rug circa 1960. A 19th century design rug, beautifully crafted using a fine weave and delicate pattern. This is a Ziegler rug, a rare and timeless style. The very low cut pile gives you different shades depending on the angle. In order to give the Ziegler rug an original and worn look, the rug is bleached in the sun and finished with sandstone. Not only the worn look, but also the design with wide edges, attractive colors and centered patterns have been adopted. Thanks to its antique look, the Ziegler rug exudes a warm and lively atmosphere. The blue field furnished with light floral scrolls is framed by a cream border with floral frieze and edging, its majestic color palette fits into any environment.
