

## Boxwood Turned And Threaded Opening Egg For Sewing Or A Rosary

100 EUR

Period : 19th century

Condition : Très bon état

Material : Solid wood

Length : 6 cm

### Description

Use to be determined, perhaps a darning egg for sewing with, in the past, a device for a thimble, perhaps the case for a boxwood rosary that has now disappeared? In any case, there remains this beautiful egg in two parts that screw together and which offers you a beautiful patina that time will only make even prettier. It is therefore a perfect investment!
