Description

Art Deco chest of drawers. The cubic shape is typical of this period. The drawers with a reported front are framed by a light molding. The sides have walnut panels. raised on a rosewood building. The front and the top are also in rosewood, in the center in continuity a speckled mahogany. The stylized draped handles are in silvered bronze as is the stylized cartouche of the lock entries. The wide and deep fir drawers have been revised. The set combines sobriety, modernity and functionality! Delivery possible not included in the price
