

## 1930s Cambodgien Gold Plated Metal And Enamel Medal

280 EUR

Period : 20th century

Condition : Très bon état

Material : Other

Width : 4,5 centimètres

Height : 8 centimètres

Depth : 1 centimètre d'épaisseur

### Description

A gold-plated metal medal...And enamel surround...With a central cartouche in enameled cloisonné...This is the Royal Order of Cambodia...Created in 1864...!But the one presented I think is in later production...In good condition, just a little lack of enamel on the surround...From the 1930s...The hinge is fully functional...The one between the crown and the star...Weight... 22.1 gr
