-------------

These 6 plates with varying decoration of stylized fish, by the workshop of Charles René Neveux, founder of the Cerenne workshop (contraction of his surname), - active from 1945 to 1958, in Vallauris, and signed by the artist Pierre, whose playful and witty design is very modern for these 50s. Nice work of inspiration for this model on a black enamel background, with multi-colored enamel dots.
