### Description

charming little bust in finely chiseled quality bronze where we recognize young Voltaire, this monk from the end of the 18th century is of an extraordinary density and on his pedestal base, despite his small size he expresses all the character of the "Great Man of Letters" .. he still has the elaborate headdress of his youth and his profile does not deny it, and we recognize him well in the detail of a small quality Library figurine in very good condition, a fine and curious object in very good condition (around 1780) ...
