Description

Pair of oil portraits on canvas, framed in splendid gilded frames, Florence, signed Giuseppe Parrini, dated 1890.

The woman is depicted in a composed and dignified pose, with her hands probably crossed or resting delicately on each other and with a serene and calm expression. The woman's face is illuminated to highlight her soft features.

the man is portrayed in three-quarter view in a pose that emphasizes the seriousness of the subject. His gaze is fixed and directed towards the observer, giving an impression of confidence and inner strength.

The frames feature richly decorated edges, with
