Description

Large decorative dish in Limoges porcelain. It is decorated with an important floral scene placed in chromo and enhanced by hand by the artist Luc. These are spring flowers with clematis, violets, carnations and viburnum. Originally, it must have been a meat serving dish because the porcelain is formed with hollows for the juice. The artist Luc must have decorated it at the beginning of the 20th century. Good house condition, note an old chip on the underside of the edge repaired with plaster, see photo. Porcelain from the Haviland Guérin factories, late 19th century, decoration by Luc early 20th century. Delivery 30 euros in France, 80 euros in the EU and 150 euros rest of the world.
