Description

We are thrilled to present this remarkable pair of Italian bronze table candelabras from the late 19th century. Originally designed without an electrical system, these candelabras have been beautifully electrified for modern use, featuring seven bulbs that provide excellent lighting for any setting. The electrical system has been newly overhauled to ensure both safety and functionality, making them a practical addition to your home.These candelabras are distinguished by their extraordinary chiselled bronze decoration, which reflects a classic aesthetic. The lights are elegantly arranged on leafy cornucopia arms, with an additional light gracefully positioned on a central stem. At the heart of the design, the central shaft showcases a stunning figure of an angel in prayer, adding a spiritual and serene
