Description

A pair of alcohol carafes...
From the 1860s/70s...
In blown crystal in multiple layers...
With the lower part molded, all hot worked...
And interior twists that spiral out...
In two colors, two white ones enclosing a dark blue one, like millefiori candies...
It's absolutely beautiful...!
The stoppers are original...
In perfect condition...
Unusual objects...!
Weight... 1 kilo 334 gr
