Description

Magnificent exceptional chandelier in Bohemian crystal from Maison Delisle, whose gilded metal frame is worked with great finesse. This structure serves as a support for the crystal elements, whose quality and purity are the signature of Bohemian crystal. The pendants, cups and other crystal details are precisely cut to optimize the diffusion of light. This artisanal work is made by master ironworkers and glassmakers mastering ancestral techniques. This exceptional chandelier, with its unique brilliance, will bring luxury and refinement to any interior.
