Description

Superb and imposing lamp base in blue porcelain with iridescent decoration, Louis XV / Rocaille style, Napoleon III period. This opulent light fixture rests on a large base in very finely chiseled and harmoniously animated gilded bronze. The collar is worked in the same way. The electrification is in very good condition and works, the "two-way" type switch is discreetly integrated into the socket (see photos) Very beautiful object, extremely refined. Shipping costs Metropolitan France 40 euros, other destinations contact us.
