Description

Beautiful old steatite statuette depicting a dignitary, scholar or wise person.* Qing Dynasty, late 19th, early 20th century *Total height: 20 cm / Height of person : 15 cmMax. width. 12 cm / Max. depth. 8 cm / Weight: 1,246 gThis beautifully crafted statuette is also of great beauty, the majestic posture of the character who sits serenely on this rock gives a beautiful spiritual dimension that is both deep and serene. Half-closed eyes under a large, rounded forehead half-covered by a headdress, he wears a long beard and a thin mustache above his lips displaying a discreet expression. He is dressed in a long robe with falling folds belted with a cord at the waist, he carries a saber on his back and a scepter in his left hand, all these details give this dignitary an appearance marked by wisdom.This
