Description

A patinated terracotta bust...
Molded with chiseling...
Of a young boy...
From the 1930s...
Signed D. DANIEL...
With "serial" numbers... of size? ...
In good condition, small imperfections on the left cheek...
And a small chip on the upper lip...
But for me nothing serious...
I leave it as is...
It is full of tenderness and charm...
Hollowed out on the inside which is a source of quality...
Weight... 1 kilo 814 gr
