### Description

Immerse yourself in the world of industrial design with this superb Holophane pendant light with its raw and authentic charm. A true vintage piece, its refined elegance naturally fits into any type of interior, whether it is a modern loft, a revisited workshop or a minimalist style house. The combination of patinated metal and its matte finish gives this object a timeless look, while the robust chain, with its black links, ensures a solid and assertive character. This pendant light is ideal for lighting a dining table, a kitchen island or a living space with style and efficiency. Its industrial design finds its origins in the workshops of the beginning of the century, reminiscent of the utilitarian lighting fixtures of yesteryear, but adapts today to the most modern spaces. The quality of the Holophane diffuser,
