Description

A nostalgic image of two children play-fighting, depicted in bronze with areas of ageing adding to its charm. This dynamic piece can be displayed at any angle due to its unique composition. We love the detail in this playful image, such as the expressions on the boys' faces and the single mislaid shoe.Packing, Shipping and insurance from Barcelona calculated at checkout.UK, EU, USA & Canada: EUR80For all other destinations email: hi@moderndecorative.comFor item purchase and better viewing.
