Description

Add a touch of elegance to your home with this beautiful etched glass lamp cap. Its unique design features embossed leaf motifs, evoking the beauty of nature with a touch of sophistication. The vibrant yellow background contrasts harmoniously with the intricately carved dark brown leaves, creating a striking play of light. Inspired by the Art Nouveau style, this lamp cap is a handcrafted masterpiece made of cameo glass, a technique that layers glass to create intricately detailed designs. This design will add charm and character to your decor, whether in a living room, bedroom or office. Bring art and elegance into your space today!
