

19th Century Forged Railings

700 EUR

Period : 19th century

Condition : Très bon état

Material : Wrought iron

Length : 2 x 102 cm

Height : 64 cm

Description

Pair of 19th century forged railings, in good condition, decorated with inverted volutes forming hearts on ringed bars. Their handrails are molded. Two 102 cm elements can be assembled to obtain a length of 177 cm, while maintaining the regularity of the patterns. The height of the body is 64 cm, feet can be added to obtain a finished height of 75 cm and serve as sealing legs. A re-measurement is therefore possible on estimate. The section of the frames is 20 mm² and that of the bars is 15 mm². You can visit our website: www.claudeaugustin.com
