Description

Limestone steps from the Burgundy-Champagne region. Ideal for building cellar, garden, indoor, or outdoor stairs. They can also be used as long steps to access a terrace. In very good overall condition, with no breaks or significant wear. Pieces range in length from 80 cm to 150 cm, with a width of 25 to 30 cm and a standard height of 15/16 cm and 18/19 cm. Our steps are sorted into these two thicknesses. Depending on your needs, we can source other steps of the same dimensions and stone to create longer flights. We sell these steps by the linear meter: EUR140 excluding VAT per linear meter. Our carrier is available to provide a delivery quote to your site.
