Description

Il René-Marie Castaing (1896-1943): "Saint Vincent de Paul" charcoal 60 X 43 cm squared in red chalk, with on the back a study of a bouquet in pastel, presented under a neutral pH mat 80 X 60 cm. First Grand Prix de Rome 1924, the immense artist excelled particularly in works on paper: charcoals, pastels or gouaches. If I never met him for obvious reasons of dates, his birthplace was just opposite the Galerie de Pau! With a sensitivity that allowed him to capture the soul of his models, he delivers here the seated priest, holding a baby on his knees. We permanently present works by this artist and outside of this collection, you can also see other studies. Do not hesitate to ask us for photos or additional information by email or telephone.
