

## VII Rene-marie Castaing : "study Of The Right Hand"

## Description

VII René-Marie Castaing (1896-1943): "Study of a right hand", charcoal 18 X 18 cm, presented under neutral pH mat 80 X 60 cm. First Grand Prix de Rome 1924, the immense artist excelled particularly in works on paper: charcoals, pastels or gouaches. If I never met him for obvious reasons of dates, his birthplace was just opposite the Galerie de Pau! With a sensitivity that allowed him to capture the soul of his models, he delivers here a superb study of an open hand. We permanently present works by this artist and outside of this set, you can also see other studies. Do not hesitate to ask us for photos or additional information by email or telephone. Other photos and many other objects in our shops in Pau and Biarritz and on our website: galerielhoste.com.
