

Very Original Shaped Diptych Photo Frame In Gilded Bronze And Opera Red Moire

380 EUR

Period : 19th century

Condition : Parfait état

Material : Bronze

Width : 22 cm

Height : 18 cm

Description

Typically Napoleon III, this fretwork photo frame is a reflection of the taste of the Second Empire where extravagance had its place. This model offers two round views (5.5 cm in diameter) with its two original convex glasses and a passe-partout in red moire opera. It is dominated by a Louis XVI knot surrounded by quivers and laurel branches, other decorative elements embellish the Marie-Louise and this down to the base.
