

Pair Of 19th Century Terracotta Andirons

300 EUR

Period : 19th century

Condition : Très bon état

Material : Terracotta

Length : 34,5cm

Height : 18cm

Description

Rare pair of 19th century refractory terracotta andirons. The uprights represent two men's heads with curly hair, with a profile that is a bit reminiscent of an Apache Indian!, and form a single piece with the beams. The model and the material are truly original and interesting. They are in perfect condition, traces of smoke show that they have been used.
