## Pair Of Dark Blue Glass "arte Povera" Lidded Vases, Piedmont 19th C.

3 800 EUR

Period : 19th century

Condition : Bon état

Material : Glass

Height : 36 cm

### Description

The vases have a deep blue background and the countless cartouches framed in gold represent bouquets of flowers. The technique of background painting and partial ornamentation by glued images imitates porcelain, which was very expensive and valuable at the time. Due to their fragility, these objects are very rare and their condition is often rather poor, because cold painting on glass is very sensitive to climatic influences. Today, due to their rarity, these objects are often valued higher than the best porcelain from large manufactories. HD photos are available
