

## Solid Wood Comb Decorated With A Seated Figure, Probably Zaire

250 EUR

Period : 19th century

Condition : Bon état

Material : Solid wood

Length : 27 cm

Depth : 3cm

### Description

Comb probably Zaire on its support surmounted by a sculpted character and at the base geometric designs engraved around the end of the 19th century, beginning of the 20th century.

Combs serve both as adornment and as a detangling tool; and the decoration it carries is often a way of conveying a message.
