Pair Of Napoleon III Period Casseroles Mounted As Lamps

1 600 EUR

Period : 19th century

Condition : Bon état

Material : Marble

Width : 24 cm

Height : 71 cm

Description

This pair of censels, made of red Pyrenees marble, dates from the Napoleon III period and was electrified in the 2000s. They are decorated with winged dragons and plant motifs in gilt bronze.With their substantial weight, these censels are certainly very stable. They stand 48.5 cm tall without the shades (71 cm overall), which can, of course, be changed to suit your taste and décor.
