Description

This unique two-tone ring in yellow and black gold is a jewel of great finesse and remarkable refinement. Designed in the shape of a headband, it features openwork details inspired by lace patterns, giving the ring a timeless elegance. The yellow gold borders are carefully engraved with delicate patterns, reinforcing the sophistication and artistic character of the piece. In the center of the ring, a dozen small yellow gold beads adorn the openwork pattern, encircling the ring and adding a subtle and harmonious shine. This combination of yellow and black gold creates an elegant contrast, perfect for lovers of original and quality jewelry. - Size: 53 - Weight: 6.75 grams
