Description

Sapphire Ring 0.95 Carat Diamonds 0.18 Carat Bi-Tone 18 Carat Gold This elegant bi-tone gold ring seamlessly combines the warmth of yellow gold with the refined radiance of white gold, creating a timeless piece that stands out for its luminosity and finesse. At the center of the ring sits a sumptuous 0.95 carat oval sapphire, with a deep hue and exceptional clarity that catches the light in spectacular fashion. Surrounding the gemstone are six brilliant-cut diamonds (three on each side), totaling 0.18 carats, adding a touch of subtlety and refinement while creating a luminous contrast with the sapphire. These high-quality diamonds enhance the ring's brilliance and sophistication, perfectly complementing the yellow and white gold setting. The ring's design features delicate curves and an elegant profile,

with a slightly raised face that gives it a wider appearance. The sides and band taper gracefully, providing optimum comfort when worn. This cradle shape allows the ring to sit elegantly on the hand, beautifully showcasing the sapphire and diamonds. The total gold weight of this creation is 7.60 grams, ensuring exceptional durability and strength, while maintaining a feeling of lightness and comfort. The sparkle and shine of the piece are further enhanced by the combination of precious materials and the carefully crafted design, giving this ring a look that is both modern and timeless. Perfect for a special occasion or to add a touch of sophistication to everyday wear, this ring is a true work of art, combining elegance, refinement and brilliance.
