### Description

Certified Ring 0.80 Carats Intense Red Ruby  
Diamonds 18K Yellow Gold The ring has a gold weight of 5.67 g: 18 carat yellow gold, bringing warmth and timeless radiance to this refined creation. The ring is composed of precious stones: Ruby: At its center, this ring features an oval ruby measuring 6.83 x 4.73 mm. The intense red center stone is certified by Bellerophon under the number A1347. This "intense red" ruby offers depth and vivacity, capturing attention with its brilliance. Diamonds: Enveloping the ruby, 49 brilliant-cut F color diamonds with a total weight of 0.38 carats enhance the magnificence of this ring. These diamonds, carefully selected for their quality and purity, bring a subtle and elegant radiance. Design: The oval shape of the ruby is enhanced by a halo setting of diamonds, creating
