

Wooden Wedding Chest From The Early 17th Century

2 500 EUR

Period : 17th century

Condition : Bon état

Material : Solid wood

Description

Rare wooden wedding chest from the early 17th century.

The top and edges of the furniture are enriched with finely carved details with geometric motifs. The base of the chest is raised on feet in the shape of lion's paws. In the center, frontally, there is a lock.

The interior needs a small restoration.
