Description

View of the Seine in Paris between Pont Neuf and Pont Royal late 1700 animated optical view of boats and characters depicting the Vue de Paris, prize du Bassin de la Seine, entre le Pont Neuf et le Pont Royal with a lively vintage watercolor published in Paris from Daumont on Rue Saint Martin. This optical view has its particularity in the particularly accentuated perspective rendered with a few strokes and enhanced by the colouring. In good condition, this watercolored etching dates back to the last decades of the 1700s. It is presented in ivory-coloured Bristol cardboard. On the back the certificate of guarantee of the assignee antiquarian bookshop.
