

Gilded Wood Center Console, Louis XIV

25 000 EUR

Period : 18th century

Condition : Etat d'usage

Material : Gilded wood

Width : 104

Height : 81

Depth : 62

Description

Middle console in gilded wood and red Belgian marble. The console is crossed in a belt of frieze lambrequins and rests on four baluster legs joined by a spacer decorated in its center with a rosette.

The wood is carved with motifs of palmettes, asparagus tips and large acanthus leaves.
