

Original Box Decorated With A Scene Of A Visit To A Gynecologist 19th Century

490 EUR

Period : 19th century

Condition : Etat d'usage

Material : Painted wood

Diameter : 10

Height : 2

Description

Original round shaped box in black wood, the lid is painted with a "rare" scene of a visit to a gynecologist, the doctor is sitting behind his desk and in front of a naked patient. Work from the 19th century, perhaps foreign, with inscriptions in red, with small wear and losses to the painted decoration, the price taking this into account!!
