Round Photo Frame In White Enamel Dotted With Flowers With Its Original Convex Glass

200 EUR

Period : 19th century

Condition : Parfait état

Material : Enamel

Diameter : 11 cm

Description

This charming round frame from the end of the 19th century offers a fully enameled outline with a decoration of placed flowers that recalls the spirit and taste of Marie-Antoinette. Its structure is in bronze and its original glass is convex.

Dimensions for the photo 9.5 cm in diameter
