

Empire Style Patinated Curule Stool

400 EUR

Period : 20th century

Condition : Bon état

Material : Painted wood

Width : 0,46

Height : 0,49

Depth : 0,35

Description

Curule stool in grayed white patinated wood in empire style. The upholstery is perfectly covered with a pink toile de jouy fabric. Each design of the medallions has a different country scene in golden beige. It rests on 4 rounded legs crossing in the middle connected by a turned wooden spacer. 2 small stains are on the fabric.
