customize the desired level of restoration, thanks to the intervention of our laboratory.

Information on the restoration:

The photographs you see portray the furniture not yet restored. The state of conservation is excellent.

The furniture, at the time of sale, will be supplied completely restored. The customer will decide the desired level of restoration.

Our laboratory guarantees conservative restoration for each piece of furniture while respecting its integrity.

Each piece of furniture is treated to ensure solidity and hygiene.

In particular, the following are performed:

- structural restoration
- careful anti-woodworm treatment
- cleaning and sanitization of the interior
- external finish with natural beeswax
- internal finish with shellac (natural alcohol-based varnish)

Upon request, we can agree on the desired level of restoration and the customization of the interior layout (clothes hanger poles, shelves, etc.).
