

Sainte Radegonde, Pair Of Ceramic Baluster Vases With Gold Decor, Gustave Hash

400 EUR

Signature : GUSTAVE HASH

Period : 20th century

Condition : Bon état

Material : Ceramic

Description

These ceramic vases are distinguished by their deep blue enamel, called "Tours blue", associated with the creations of Gustave Hash. Each piece features a finely worked gold floral decoration, which highlights the slender and elegant silhouette of the vases. Emblematic creations of the Saint-Radegonde ceramist, these vases embody the refinement and artisanal mastery of the early 20th century. Signed under the base with the mark "petite hache", France, attributed to Gustave Hash.
