

## Very Beautiful Series Of Earthenware And Barbotine Spice Jars Decorated With Branches And Pine C

230 EUR

Period : 20th century

Condition : Bon état

Material : Earthenware

### Description

This beautiful series of spice jars is in good condition with some minimal traces of time. No marking allows them to be attributed to an artist or a manufacturer. However, the decoration of branches and pine cones made with slip is truly superb. It may be a Savoyard or Isère production, without certainty. Defects noted: The interior of the Spices lid has two losses, the interiors of the Sugar and Pasta lids each have a small loss and the top of the Flour pot two small enamel chips. All this remains very discreet. Heights with the lids: 21; 19.5; 17; 15 and 11.5 cm. Fast, careful and very secure shipping.
