Description

A vase of beautiful height...

In blown glass with multiple layers...

From the 1960s/70s...

MURANO glassware - ITALY...

In good condition, small scratches from use...

And manufacturing defects...

Of course nothing serious...

It is a nice mixture of colors in large flows...

It is of good quality, quite thick...

A flared barrel ending in a neck slightly smaller than the plump part...

Weight... 1 kilo 429 gr
